

Product Discontinuation Statement

This document outlines Axis products that will be discontinued and indicates the relevant replacement products.

The following product is covered by this statement:

Discontinued Product	Replacement Product
Axis Secure Remote Access v1 for AXIS Camera Station v5 and Pro	Axis Secure Remote Access v2 for AXIS Camera Station Pro

AXIS Secure Remote Access version 1 will be updated to version 2 based on the open standard WebRTC. To use the new service all current installations of AXIS Camera Station Pro or v5 must be upgraded to an upcoming version of Axis Camera Station Pro, expected to be released during first half of 2025. There is no impact on the offline usage or functionality of AXIS Camera Station 5 or Pro systems.

- **Discontinuation date**
 - **September 30, 2025**

Discontinuation date is the planned final date when the service is shut down.

- **Maintenance offered until**
 - **September 30, 2025**

Lund, Sweden, September 27, 2024
